

# Support & Development

## Mailing List

Questions about the SDK should be sent to its [Google Group](#).

## Reporting Bugs

Bugs with the SDK should be reported on the [issue tracker at Github](#). Bugs with Facebook's Graph API should be reported on [Facebook's bugtracker](#).

## Security Issues

Security issues with the SDK that would adversely affect users if reported publicly should be sent through private email to the project maintainer at `martey @ marteydoodoo.com` (GPG key ID is `0x2cd700988f74c455`).
